Low Country Custom Home at Waterways

Move-In Ready Custom Home in the highly desired neighborhood of The Enclave in Waterways. Professionally designed, this open concept is ready for entertaining from inside to out. The large kitchen has custom cabinets to the ceiling, an oversized island for meal prep, gas cooktop, pot filler, under cabinet lighting, walk in pantry and more. The main level primary suite offers coffered ceilings and leads to a large bath with soaking tub and walk in shower with a bench and hidden niches. Upstairs you will find 2 additional bedrooms along with an oversized bonus room that can function as a 4th bedroom with its own private full bath. There is also a flex space for an office/gym/craft room. Full 3 car garage with extra height ceilings and a plug for electric car charging. Spray foam walls and rafters, tankless water heater, along with concrete plank siding, make this a low maintenance, efficient home. The lot backs up to woods for extra privacy. Stop by today to see this home.
